

Skip Your Loan Payment During the Holidays

The holidays are a time when we all could use some extra cash. As a valued member of Service Plus Credit Union, we are inviting you to skip your November, December or January loan payment and have that extra cash you need...

...before the holidays

Help pay for holiday expenses like gifts, holiday travel, parties and charity donations.

...after the holidays

Use your loan payment instead for the upcoming tax season, money for your college kids or to buy that gift you didn't get.

If you have direct deposit or payroll deduction scheduled with your loan, don't worry. We will automatically transfer your skipped loan payment to your savings or checking account.

Take advantage of this special offer by simply completing the bottom portion of this letter and return it to us in the enclosed envelope or drop it off at the Service Plus office.
